Rock Island and Moline Party
Leaders Are Arrayed in
Hostile Camps.

BITTER OVER JUDGESHIP

Ball Faction Speakers at Conclusion
of Convention. Score Out-
raged and Bitter.

If you were a republican leader and had worked for three long, lean years to make peace with the ball faction and then, just as you were about to be elected, everything was happening to look forward again to the party's judicial convention at the court house. On the shoulders of Judge H. W. Olmsted and C. J. Searle was laid the blame for the damage wrought. Both were mentioned by name by speakers who addressed the ball convention when it had concluded its regular session late Saturday afternoon. Judge Bell himself assigned Mr. Searle to the speakership.

"This is nothing new for Searle," said the judge. "He has belted before in his capacity in politics." George W. Johnson mentioned Judge Olmsted as one who had received many honors at the hands of his party and who now was trying to dictate to the majority of the republicans of the county to the end that he be continued in office. The judge, he said, had "painted Rock Island by the nose."

Protest Good Faith. All of the speakers who addressed the ball faction asserted that they had been ready to yield to the majority if it had been shown to be against them, and would have supported Olmsted as warmly as they would Bell. Judge Bell declared that Mr. Searle had been going about the county asserting that he would not support the ball candidate under any circumstances. Judge Olmsted, he stated, had declared he would rather see Judge Olmsted of Alton get the republican nomination than that it should go to the ball faction.

Judge Bell reiterated his statement that he would have been willing to have the credentials committee named in any manner that would be satisfactory to the opposition. George W. Johnson, in addition to attacking Mr. Searle, denounced Rock Island republicans for joining him in the ball. "We in Moline had to take our medicine for a good many years," he said, "and did we ever better?" He said, "and did we ever better?" He said, "and did we ever better?" He said, "and did we ever better?"

With such bitterness as this manifested by both factions here it is plain that Rock Island county's chances of doing business in the district republican convention to be held here next Wednesday is not over bright.

Show 82 Delegates Present.

First thing done by the ball faction when it reassembled in the court room after the recess was to arrange a record to show how many delegates were present. The roll was called and responses were received from 82 delegates. The names of those were taken. Later eight delegates from the old third ward in Rock Island were upstaged by the action of the credentials committee.

Next, the report of the committee on credentials, the appointment of which brought about the Olmsted ball, was presented. It seated the Olmsted delegates from the fifth, sixth and seventh precincts of Rock Island, none being present, however, and seated the two ball delegates from South Moline No. 1, the three from Hampton No. 4, one from Hampton No. 2 and six from South Moline No. 2.

The temporary organization was made permanent and a resolutions committee composed of R. S. Hoxford and George W. Johnson, Moline, and Dr. N. M. Moore of Rock Island, was appointed. The resolutions committee quickly brought in and adopted simply endorsed Judge Bell, Ramsey and Graves for the republican nomination at the district convention.

Quickly Pick Delegates.

Seven were named on the committee to select delegates, and these composed it: F. H. Railback, H. F. Vierich, Charles Roberts, Frank A. Johnson, Ed Young, Guy Hutchinson and Boyd McMichael. The list of delegates was made up with suspicious haste, indicating previous selection, and was adopted as follows:

Boyd McMichael, William Edelman, Charles Young, William Marlin, Ed Henry Hilbert, Hampton, Charles Spickler, Drury, Henry Hutchinson, Bowling, R. L. Wilson, Coal Valley, L. E. Cleveland, F. H. Railback, Anton Swenson, South Moline; Guy Hutchinson, Rural; C. E. Diez, J. B. Oakland, P. J. Landee, George W. Johnson, W. A. Moore, F. A. Johnson, O. E. Child, C. L. Roberts, H. F. Vierich, J. M. Johnston, L. R. Blackman, A. J. Lyden, J. D. Metzger and C. P. Skinner, Moline, and L. L. Hance, H. M. Schriver, Leo J. Deissroth, Fred Hodges, James Murphy and N. M. Moore, Rock Island.

Olmsted Statement.

Judge Olmsted with C. J. Searle and Edwin Dice left today for Cambridge where they are attending the Henry county convention. Before the former left Rock Island he made the following statement in which he declared that high handed methods of his opponent only prevented his domination of Rock Island county's stormy convention of Saturday.

"Relative to the cause of the split in the county convention I desire to make the following statement:

"Our county committee called the delegates for March 20. In spite of this Judge Bell's friends, as in some of his caucuses, succeeded in calling snap caucuses commencing March 15, when neither I nor my friends could have an opportunity to get before the people. In some five instances, where such snap caucuses had been held there were contesting delegations. My friends in the convention properly urged that delegations from such pre-

ITCHING NEARLY DROVE A WHOLE FAMILY CRAZY

Kansas City, Mo., Oct. 24, 1914.—"My husband had a rash all over his body, and soon the WHOLE FAMILY was in the same condition. It looked awful and itched up on the arms and body in big lumps. This trouble burned and itched so that it would nearly drive one crazy. It was always worse at night, so we could not sleep. We all had this trouble for about two or three years, and during that time tried many remedies and prescriptions with no results. We tried Rosinol Ointment and Rosinol Soap and it RELIEVED AT ONCE, and before the third jar of ointment had been used, we were all completely cured. It has been four months since we were cured, and there are no traces of the trouble." (Signed) Mrs. S. A. Clarkman, 1229 Lawn Ave.

Every druggist sells Rosinol Ointment and Rosinol Soap, and physicians have prescribed them for 20 years in the treatment of skin troubles.

Relict of Man Who Died Suddenly
Speedily Remarries.
St. Louis.—A marriage license was issued at Clayton to Mrs. Melba Adams and Joseph Toet of Valley Park. Mrs. Adams' husband, Shelly Adams, was found dead in bed 11 days ago. She was absent from home at the time, and when she returned from a visit to relatives at Moseley, Mo., she was held by the county authorities as a witness at the inquest. Joseph Toet also was held.

A Valley Park physician said there were indications that Adams, who had been an invalid, had died of mercury poisoning. An analysis failed to confirm this. Mrs. Adams and Toet were released after the inquest.

They did not apply in person for the marriage license, but made their application through a justice of the peace at Valley Park, and the license was mailed to them. It was the thirteenth issued this year.

SAVES ELDERLY FOLKS FROM BLADDER MISERY

When you're fifty your body begins to creak a little at the hinges. Motion is more slow and deliberate. "Not so young as I used to be" is a frequent and unwelcome thought. Certain bodily functions upon which good health and good spirits so much depend, are impaired. The weak spot is generally the bladder. Unpleasant complications in other organs arise. This is particularly true with elderly people. If you only know how, this trouble can be obviated.

For over 200 years GOLD MEDAL Haarem Oil has been relieving the inconvenience and pain due to advancing years. It is a standard, old-time home remedy and needs no introduction. It is now put up in odorless, tasteless capsules. These are easier and more pleasant to take than the oil in bottles.

Each capsule contains about one dose of five drops. Take them just like you would any pill, with a small swallow of water. They soak into the system and throw off the poisons which are making you old before your time. They will quickly relieve those stiffened joints, that backache, rheumatism, lumbago, sciatica, gleet, gravel, "brick-dust," etc. They are an effective remedy for all diseases of the bladder, kidney, liver, stomach and allied organs.

Go to your druggist today and get a box of GOLD MEDAL Haarem Oil Capsules. Money refunded if they do not help you. GOLD MEDAL are pure, original imported-Haarem Capsules. Accept no substitutes. (Adv.)
